

Drop and Swap

Mondays 10am-12pm at the West Wight Family Centre
(next to the WWSCC).

A parent led money saving initiative for families.

Unwanted clothes, toys and books can be exchanged with items donated
by other families.

Families can:

- Drop off unwanted items
- Take new items away in exchange
- Come back as often as they like

If you know of any families that would benefit from this, please do
share this information with them.

Notice to Parents/Carers

You are reminded that although donated toys, clothes and equipment are fully checked for defects and general condition before they are put on display, it is your responsibility to make sure that they are suitable for your children.

If you are unsure about the items you have chosen, please ask one of the Timebank volunteers to help you.

Thank you.
